Dear Parents,

I'm finding it difficult to find the words to describe the incredible week we've had here at HTS. I was completely stunned when Fr. Ed brought me a gift from a Secret Santa with a card signed, "Friends and Families of Holy Trinity School and Parish." In the bag – money! Lots of money with wrappers around it!! And instructions to disperse it amongst all the staff of the school and parish!!! Oh, how it was received, with tears of gratefulness that came with the realization that they were *appreciated*.

Top that off with the absolutely beautiful Christmas concert performed by the best kids anywhere, and you've got a truly joyful experience! I was so proud of your children, I was ready to burst. I'm a very grateful woman.

Voices of Angels

The Christmas concert was beautiful from the first note to the very last. It was a packed church but the true meaning of Christmas was well represented through the songs, words, and actions.

Thank you again for entrusting your children to us every day.

Merry Christmas

And Happy New Year!!!!
