### 5 THINGS TO TELL YOUR CHILD EVERY DAY

It really can be the littlest of things that make a difference in raising children in the faith at home. Here are a few simple phrases you can say to your child (or children) to make God present to them every day.

1. **Jesus loves you.** What a beautiful truth! Jesus loves you – always and no matter what. He will *never* stop loving you, and His love brought you into existence! You think mom and dad love you a lot? (We do!) But guess what? God loves you even *more*.

2. **...and He rejoices being with you.** Not only does Jesus love you, He wants to be with you all the time. His love isn't distant; it's right here, all around you. He wants to spend time with you – in prayer, in work, and in play – because He loves your company and because you are so special to Him.

3. **God has big plans for you!** His plans for you are huge...He wants you to be a saint! He wants you to be "Saint \_\_\_\_\_", and live as one of his closest friends and followers – a disciple – here on earth, and then spend forever in heaven with Him someday.

4. **Your guardian angel is always with you.** God gave you a special companion: your guardian angel. And your angel is always with you – to help protect you and watch over you when you are scared or sad, or to join in your happiness and in your prayer time.

**Thank you, God!** (This one is not said *to* your child, but *with* your child every day to cultivate a spirit of awe and thankfulness for God's creation and His many gifts and blessings.) After a fun playdate, we say – "Thank you, God, for such a fun time with friends!" Before a meal – "Thank you, Jesus, for this food to nourish our bodies." When your child notices and makes a point to talk about a beautiful flower – "Thank you, God, for making flowers for us to enjoy!" In prayer – "Thank you, Jesus, for our family [mentioning parents, siblings, grandparents, etc.]."

## Spanish Class Update

Unfortunately, due to health reasons, I am resigning my position as Spanish teacher at Holy Trinity and will not be able to finish up this current school year. My last day teaching was today April 4th. It has been both a pleasure and privilege working with the students these past few years, both as the music teacher a few years back, and now, for the past two years as the Spanish teacher. I will heartily miss them all! They have learned a great deal of Spanish so far this year and I am very proud of all they have accomplished! I wish them all the greatest success in the future and will keep them in my thoughts and prayers. Mrs. Stadel, the music teacher will be teaching Spanish the rest of the year along with music.

Sincerely,

Mrs. Rapkin

## Feed the BoxTop Bot

If you have not already heard, we have a new friend here at Holy Trinity School. Meet Boxtop the Bot, our new robot who loves to eat Box Tops for Education coupons! Mrs. Megan Sargent created this cool new friend to help our school earn money through this great program. Please save and send these coupons to school with your children so they can feed the robot and fill him up!
