*Although the School Advisory Board sets aside time for visitor comments and values parental input, due to time constraints, a visitor will be limited to 5 minutes to make their comments. If a parent is unable to attend a meeting, he/she may contact the school principal in writing, clearly indicating the concerns needing to be addressed. The visitor comments, either presented in person or in writing, will be taken under advisement for discussion and/or action by the Advisory Board or principal at a later date.
