2018/2019

SEPTEMBER MEETING

We had 12 households and 3 staff members attend the meeting.

Discussed **new** events for this school year provided through HSA @ HTS.

The majority of attendees were interested in learning how to use scrip on a regular basis.

7 households, who had never attended before September's meeting, came because they wanted to meet other school parents.

We had positive feedback from parents that attended. They liked the activity and conversation provided and will be back for the November meeting.
